KINGBOROUGH GYMNASTICS ASSOCIATION

THE STATE GYMNASTICS CENTRE

association history

2000 - Gymsports was started by Mark Moncur. At the time we managed one Gymsports venue located at Kingborough Sports Centre. The venue had 200 students, 1 part time staff member and 5 casual staff operating out of Level 4 of the Kingborough Sports Centre. Our first office was an old converted change room which still had a shower in it.

The membership grew quickly to 400 members and a new location was attained, taking over half of the Kingborough Indoor Cricket Centre. The membership continued to grow and by 2009 we had 800 members, 6 full time staff and 30 casual staff.

2010 - we moved into the purpose built 2100 square metre building at the Kingborough Sports Centre. The membership quickly grew to over 1600 members, 12 full time staff and over 80 casual staff.

At present - 2025 we cater for over 2500 children per week, employ 18 full time staff and over 125 casual staff and 40 youth leaders. We offer carefully planned early learning, educational and team programs, catering for toddlers to High Performance athletes. We have athletes who are at national and international standard across our 3 team sports of Men's Gymnastics, Women's Gymnastics, Trampoline and Tumbling.

mission and purpose

“Kingborough Gymnastics Association”
is a non-for-profit organisation that supports athletes through
scholarships and fundraising opportunities.

Operating with integrity and transparency, to provide
safe, state of the art facilities

Providing a governance framework where volunteers and
sponsors can best support our participants

Developing financial assistance and fundraising opportunities
to enable athletes to attend high profile national and
international events

Advocating for diversity and inclusion for our current and future
participants to maximize their enjoyment and longevity in the
sport

high performance programs

The Kingborough Gymnastics Association is committed to supporting athletes that have the development potential and necessary attributes to be a successful high-performance athlete. These athletes are on an international pathway of competitive men's, women's, trampoline and tumbling gymnastics.

The Kingborough Gymnastics Association support these athletes on their High Performance pathway through a Scholarship Fund. Your sponsorship will directly support an athlete on their National and International representative journey.

Amber French Kingborough Gymsports High Performance Athlete

In 2025 Amber and 45 other athletes from the Kingborough Gymsports Mens Gymnastics, Womens Gymnastics and Trampoline and Tumbling Program represent Tasmania at Australian National Championships. This is made possible by their supportive families, tireless fundraising and the Kingborough Gymnastics Association Scholarship program.

The image shows a promotional graphic for Gymsports. On the left, a green curved banner contains the Gymsports logo (a stylized white swirl) and the text "gymsports LEARN TO GYM". Below this, the text "Come and climb, swing, hang, jump and explore with us!" is written in white. At the bottom of the green banner, the website "gymsports.net.au" is displayed in white on a black background. To the right of the green banner is a photograph of a young girl with blonde hair, smiling, wearing a purple t-shirt with "GYMSPORTS" printed on it. In the top right corner of the photo is a QR code. The background of the photo shows a gymnasium with other people in the distance.
